#### Getting Started With Teladoc

We've made it quick and easy to set up your Teladoc account:

1. Visit .

- 2. Click Set up account.
- 3. Provide the required information. \* Primary account must be activated for dependents to set up their account.

#### Request a Consultation

Feeling under the weather? Request a consultation with a board certified Teladoc physician anytime, anywhere.

\* For emergencies, please dial 911 or seek attention from the nearest medical facility. Teladoc does not refund consultation fees. This is not insurance.
